### Call poster:

 ”la Caixa” Foundation

# CaixaImpulse Health Innovation Call

Submit your application  
Until 19th February 2026

Every scientific discovery is a milestone; and sometimes it also becomes the first step towards real-world solutions for patients.

The CaixaImpulse Health Innovation Call supports projects led by research centres, hospitals and universities that aim to transfer research results from the laboratory to patients.

If your health innovation project is ready to move forward, you could receive up to 700,000 euros, together with mentoring and training.

Push your project beyond the lab. Apply now.

*A world to discover*

**Example website text:**

Do you have a **health innovation project** that could turn into a real-world solution?

The CaixaImpulse Health Innovation Call, promoted by **”la Caixa” Foundation**, aims to transfer the results of **research from the laboratory to patients**. ## LinkedIn post example

The image shows a LinkedIn post example. On the left, there is a white box containing the "la Caixa" logo and name, followed by the text "CaixaImpulse Health Innovation Call" in large, bold, black font. Below this, it says "Submit your application Until 19th February 2026". On the right, there is a dark blue/black graphic with a white-bordered frame containing a 3D model of a human heart. Below the frame, the text "A world to discover" is written in a white, italicized font.

Every scientific discovery is a milestone; and sometimes it also becomes the first step towards real-world solutions for patients.

The ”la Caixa” Foundation launches this year’s CaixaImpulse Health Innovation Call, which seeks to support outstanding projects from research centres, hospitals and universities with the potential to become real-world solutions for patients.

If your project has the potential to make an impact, you could receive up to 700,000 euros, together with mentoring and training to help guide its development.

Push your project beyond the lab. Apply now.

Applications open until **19 February 2026**.
